Information Dissemination

Knowledge Hub

We create a digital library of resources and educational materials for survivors, civil society organizations, and anyone seeking to learn about gender justice and violence against women.

Empowering Information

Our website provides information on relevant public services, helplines, counseling services, and legal aid to empower survivors and connect them with necessary support.

Visibility and Reach

1 Amplifying Our Voice

We aim to increase Aweksha's visibility, promoting our work, services, and raising awareness about violence against women.

2 Community Engagement

We encourage community engagement and invite users to reach out for support or contribute to our publications through articles and first-hand stories.

Fundraising and Networking

Financial Support

Our website enables us to actively undertake fundraising campaigns and crowdfunding to sustain our mission and expand our impact.

Strengthening Partnerships

We leverage our online platform to foster networking opportunities with individuals and organizations committed to gender justice and violence against women.

About Us

1

Our History
